

Directions to our Hanover office

Leave the A2 south-bound (Hanover-Nord) at junction 44, marked "Hanover/Langenhagen". Continue for 4.5 km along Vahrenwalder Straße. Just before the railway bridge, bear left and turn into Hamburger Allee. Stay in the right hand lane on Hamburger Allee that takes you straight ahead, rather than taking the elevated lane. Once you have passed the television tower on your right, take the third turning on the right into Volgersweg. The second street on the left is Hinüberstraße: our office is located on the left hand side, roughly 100 m along this road. Pay and display parking is available in front of our office and in the multi-storey car park at the main railway station.
